BENEFITS OF MASSAGE

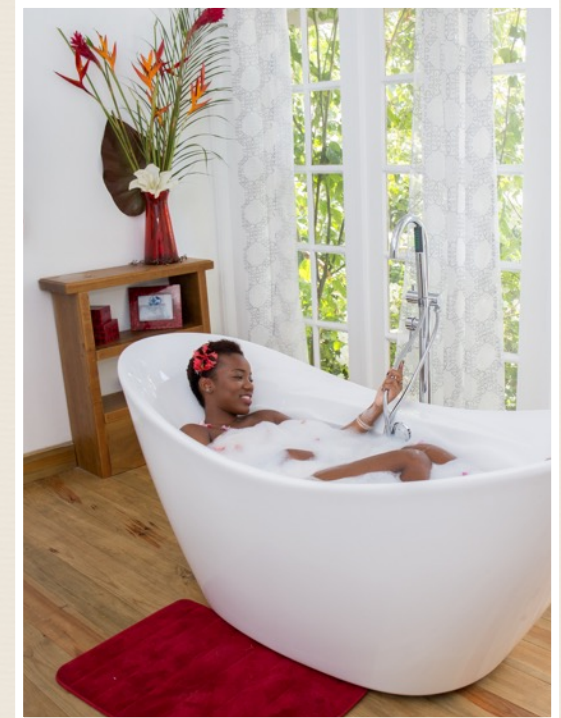

Eases muscle pain by increasing and improving blood circulation. Helps soothe anxiety and depression. Improves sleep quality. Massages boost patients' white blood cell count (which plays a large role in defending the body from disease). Massages relieve migraines and tension headaches, relieves stiff shoulders and overworked arm muscles and lower back pain

BENEFITS OF CHOCOLATE SKIN TREATMENTS

Detoxifies skin from impurities. It sloughs off the dead skin cells and allows the newly exposed, fresh skin to breathe freely. Dark Chocolate keeps skin moist and well nourished. Dark chocolate hosts a range of potent antioxidants. These antioxidants protect your skin from free radical damage; keeping it soft, supple and juvenile.
